

ORBIT 18 Pendant — Model OR-18-BR

Lumen & Field

The ORBIT 18 pendant features a spun-brass shade with a white powder-coated interior for warm, glare-free downlight over kitchen islands and dining tables.

Dimensions: 18 in diameter x 9 in H shade. Overall drop adjustable 12 in to 60 in via field-cutable cord.

Materials: spun brass shade, steel canopy, cloth-wrapped cord.

Finishes: natural brushed brass, blackened brass, or polished nickel.

Certifications: UL and cUL listed for dry locations. Title 24 compliant with included LED lamp.

Electrical: E26 medium base, 100 W max incandescent or 17 W LED (included, 1600 lumens, 2700 K, 90+ CRI, dimmable).

Installation: mounts to standard 4-in octagonal junction box. Canopy hardware included. Ceiling support must hold 15 lb.

Care: dust with dry microfiber cloth. Uncoated brass will patina naturally; polish with brass cleaner if a bright finish is preferred.
