Nordform Studio

AXEL Lounge Chair — Model AX-200

Description

The AXEL Lounge Chair (Model AX-200) by Nordform Studio features a solid white-oak frame with a molded plywood shell and top-grain aniline leather upholstery. It is designed for residential and light-commercial interiors. The chair is available in three oak frame finishes and three leather colorways, offering flexibility for a range of interior palettes.

Dimensions

30 in W × 32 in D × 28 in H; Seat height: 16 in

Materials

Solid white oak frame, molded plywood shell, top-grain aniline leather (seat and back)

Finishes

Frame: Natural Oak, Smoked Oak, Ebonized Oak. Leather: Cognac, Charcoal, Ivory

Certifications

ANSI/BIFMA X5.4 tested; GREENGUARD Gold certified

Important Specifications

- Model number: AX-200
- Weight capacity: 300 lb
- Seat height: 16 in
- Suitable for residential and light-commercial use
- Felt glides included

Installation Notes

DRAFT 7/9/26 - NOT FOR CONSTRUCTION

Ships fully assembled. Attach included felt glides to legs before placing on hardwood floors.

Care Notes

Vacuum leather weekly using a soft brush attachment. Condition leather twice yearly. Wipe oak frame with a dry cloth; avoid silicone-based polishes.
